The coins in the bags and rolls were struck on the main production floors of the United States Mint's facilities at Denver, Philadelphia, and San Francisco, while the three-roll set contains coins from all three facilities. Unlike the "P" and "D" mint mark quarters, those with the "S" mint mark will not be released into circulation.

The special numismatic wrapping for the coin rolls displays the name "Great Sand Dunes National Park"; the abbreviation "CO" for Colorado; "\$10," the face value of its contents; and "P," "D." or "S" for the mint of origin. The canvas bags have a tag with "Great Sand Dunes National Park National Park"; "CO"; and "P," "D." or "S."

*Note: To ensure that all members of the public have fair and equal access to United States Mint products, orders placed prior to the official on-sale date and time of Aug. 25, 2014, at noon EDT, shall not be deemed accepted by the United States Mint and will not be honored.
